

Heaven Here On Earth

Jimmy Somerville

You took me to your heart,
Religious like an oath,
I brought you my love divine,
The hands of faith,
The breath of hope,
Brush soft across my face,
Each day is like the kiss of an angel.

I've found heaven here on earth,
A dream come true,
With your love.

The stars collide with every touch,
My world is joy,
Devotion so immense so strong,
it hurts,
I close my eyes and all I see is you,
My prayers will be answered,
If you stay.

I've found heaven here on earth,
A dream come true,
With your love.

Stay,
I'm praying he'll stay,
A little prayer.

I've found heaven here on earth,
A dream come true,
With you love.
