Here I Am

Jimmy Somerville

If I should die before I wake I pray from God my soul escapes I wonder what the price would be To roam through time eternally? To roam through time eternally Here I am Here I am And when this world comes to an end Who will heaven send to find me? To find me Here I am Here I am Here I am Here I am I'm passing through Can you feel me? I'm in front of you Can you see me screaming? Can you hear me screaming? Can you hear me? Here I am Here I am Here I am Here I am I'm in your head I know your dreams But powerless to change your mind Here I am Here I am Here I am Here I am
