

Perfect Day

Jimmy Somerville

Take me away to a place by the sea
To sit on a beach in winter my dream,
My dream, the cold cutting wind,
The red of your cheeks,
A place that's deserted,
Just you and me, you and me.

Oh, this will be a perfect day
Give me your hand and we'll walk by the shore,
Skim stones on the water,
The waves crash and roar
Crash and roar.

A cold burst of rain
A boy filled with joy,
For nothing I'll worry, it's perfect this day,
This perfect day
Oh this will be a perfect day.

Ooh don't you know that's what love, it can do,
Ooh don't you know that it's being with you,
Ohh don't you know that's what loving can do,
Ooh don't you know that it's being with you.

Pretending you're Neptune,
Write names in the same,
Lips brushed with salt,
I tell you I love you,
You smile.

The sky's growing darker,
The sea steals our hearts,
It whispers 'Goodbye' as we're driving away,
I'll never forget this perfect day.
Oh, this has been a perfect day.
