

Drinking Beer

Jimmy Witherspoon

Let's have a party an drink up a lot of beer
Let's have a party an drink up a lot of beer
Well, wine is fine but give me lots of beer

Wanna drink some beer, talk some trash this mornin'
Let's drink some beer 'til the rooster crows at dawnin'
Well, wine is fine but give me lots of beer

(Drinking beer)
Well, early in the mornin'
(Drinking beer)
Yes, in the afternoon
(Drinking beer)
Yes, in the evenin'
(Drinking beer)
Ah, in spring
Wine is fine but give me lots of beer

Now lite beer is real beer
Dark beer's real gone too
You drink too much ale, you get put in jail
So I think I'll stick to home brew

Drinking in the mornin', had a little stout
A little stout'll make you poke way out
Drink it by the case and order some more
Call all the neighbors, they're right next door

Well, in the evenin'
Well, in the afternoon, drink beer
Well, in the evenin', drink beer
Yes, it's spring
Wine is fine but give me lots of beer
