

# I Never Will Marry

Jimmy Witherspoon

Some say that love's a gentle thing  
But it only brought me pain  
'Cause the only girl I ever did love  
Is gone on the midnight train  
I never will marry  
Never take me a wife  
I expect to stay single  
For the rest of my life  
The train pulled out, the whistle blew  
With a low and a lonesome sound  
She's gone, she's gone like the morning dew  
And left me here alone  
I never will marry  
Never take me a wife  
I expect to stay single  
For the rest of my life  
For the rest of my life  
For the rest of my life
