## **Money's Gettin' Cheaper**

## **Jimmy Witherspoon**

Well, money's gettin' cheaper, prices gettin' steeper Found myself a woman but I just couldn't keep her Times gettin' tougher than tough Things gettin' rougher than rough I make a lot of money, I just keep spendin' the stuff Well, pork chops on the market, ask the butcher for a pound Couldn't buy a pork chop when I laid my money down Times gettin' tougher than tough Things gettin' rougher than rough I make a lot of money, just keep spendin' the stuff Well, politicians are tellin' folks to cut out on their meat Why don't they cut the price an' let the people eat? Times gettin' tougher than tough Things gettin' rougher than rough I make a lot of money, I just keep spendin' the stuff Well, I can't afford to live, I guess I'll have to try Undertaker's got a union, and it costs to much to die Times gettin' tougher than tough Things gettin' rougher than rough I make a lot of money, I just keep spendin' the stuff
