

# Better Things

JJ Heller

(Verse)

I have a story  
That is only mine to tell  
I don't wanna make believe  
I just need to be myself

(Verse)

I have a mission  
That is only mine to fill  
Fear may try and blind my eyes  
But it can never break my will

(Chorus)

There are far far better things ahead  
Than what I leave behind  
Will you help me find my way?

(Verse)

I'm on a journey  
I'm losing who I used to be  
I am learning how to die  
It's changing every part of me

(Chorus x3)

There are far far better things ahead  
Than what I leave behind  
Will you help me find my way?
