

Control

JJ Heller

The cut is deep, but never deep enough for me
It doesn't hurt enough to make me forget
One moment of relief is never long enough
To keep the voices in my head
From stealing my peace

Oh, control
It's time, time to let you go

Perfection has a price
But I cannot afford to live that life
It always ends the same; a fight I never win

Oh, control
It's time, time to let you go

I'm letting go of the illusion
I'm letting go of the confusion
I can't carry it another step
I close my eyes and take a breath
I'm letting go, letting go

There were scars before my scars
Love written on the hands that hung the stars
Hope living in the blood that was spilled for me

Oh, control
It's time, time to let you go...
Control
It's time, time to let you go
