

Emmanuel

JJ Heller

Come fall at his feet,
Won't you sing, sing to the king
Go tell everyone that Christ is born

Glory fills the sky
As Mary sings a lullaby
Emmanuel is born tonight

Give all that you are
Follow the star
And leave all that you have behind

Glory fills the sky
As Mary sings a lullaby
Emmanuel is born tonight

Hope has come to us
The maker of the universe
Emmanuel is born tonight

Holy, holy, God almighty,.
