

# Invisible Love

JJ Heller

If my arms could reach around you  
I would never move  
If my eyes could see you  
I'd have no faith to prove  
The wonder of invisible love

This is how it has to be  
With you and me  
The wonder of invisible love

When I fall I feel your arms  
Before I reach the ground  
Lord, I know your whisper  
Though I've never heard the sound  
The wonder of invisible love

This is how it has to be  
With you and me  
The wonder of invisible...

Someday there will be no time to mind  
I will be your long awaited bride  
We will dance away the night

This is how it has to be  
With you and me  
The wonder of invisible love  
Is how it has to be  
With you and me  
The wonder of invisible love
