

# Kingdom Come

JJ Heller

Ashes, ashes, we fall down  
It always feels too soon  
But when we walk on golden ground  
All will be made new

Hallelujah  
Hallelujah  
Hallelujah  
All will be made new

Life is but a dream at best  
Morning's coming soon  
Kingdom come will bring us rest  
All will be made new

Hallelujah  
Hallelujah  
Hallelujah  
All will be made new

All sorrows and sighs  
Will fade away into the night  
And all will be made new

Hallelujah  
Hallelujah  
Hallelujah  
All will be made new
