

No Fight Left

JJ Heller

It's hard to tell if my eyes are open
When all I see is dark
And it's easy, it's easy to lose my step
To lose my step

There is no fight left on the inside
But maybe that's where I should be
I've given up trying
I'm giving it all to you

And I used to dream of a life so lovely
There'd be no room for tears
Now letting go, yeah
Letting go is the hardest part
It's the hardest part

There is no fight left on the inside
But maybe that's where I should be
I've given up trying
I'm giving it all to you
Ohhh...

There is no place I can go
Where you don't already know
How to reach right down and pull me out
I need you, I need you, I need you

There is no fight left on the inside
But maybe that's where I should be
I've given up trying
I'm giving it all...

There is no fight left on the inside
But maybe that's where I should be
I've given up trying
I'm giving it all, yeah
I've given up trying
I'm giving it all, yeah
I've given up trying
I'm giving it all to you
