

# Wake Up The World

JJ Heller

Shepherds come to worship  
Angels sing Gloria  
Wake up the world, the King has come

Oh let heaven, heaven and nature sing  
Oh let heaven, heaven and nature sing  
Oh let heaven, heaven and nature sing  
Wake up the world, Wake up the world,  
Wake up the world, the king has come

Joseph smiles at Mary  
The baby falls asleep  
Wake up the world, the king has come

Oh let heaven, heaven and nature sing  
Oh let heaven, heaven and nature sing  
Oh let heaven, heaven and nature sing  
Wake up the world, Wake up the world,  
Wake up the world, the king has come

Son of God  
Love's Pure light  
Wake up the world, the king has come
