

only silly words  
boring clichéd words  
describe my thoughts  
when I think of you

cushions guide me along  
in my head is with the song  
still found time  
waiting for tomorrow

places have some names  
derived by peoples brains  
moved and confused  
when I think of you

only silly words  
boring clichéd words  
describe my thoughts  
when I think of you
