

Dream'd In A Dream

JJ72

Lend and defend all the dread,
a head, With the doubts and the shouts,
Till you smile with desire.
To defeat and delete then employ to destroy,
And betray but always pray.
As it seems, in a dream, In a scream,
I am eloquent again.

As it seems, in a dream, in a dream,
You are elegant again.
To drum on the lawn, shocks to the lost,
For the noise of the joys,
To betray and pray.

As it seems, in a dream, In a scream,
I am eloquent again.
As it seems, in a dream, In a dream,
You are elegant again.

Ooooooooooh oooh oooh,
Ooooooooooh oooh oooh.
As it seems in a dream, In a scream
I am eloquent again.
As it seems, in a dream, In a dream,
You are elegant again...
