when i look back upon my life it's always with a sense of shame i 've always been the one to blame for everything i long to do no matter when or where or who has one thing in common too

it's a, it's a, it's a it's a sin, it's a sin everything i've ever done everything i ever do everyplace i've ever been everywhere i'm going to it's a sin

at school they taught me how to be so pure of thought and word and deed they didn't quite succeed for everything i long to do no matter when or where or who has one thing in common too

it's a, it's a, it's a it's a sin, it's a sin everything i've ever done everything i ever do everyplace i've ever been everywhere i'm going to it's a sin

father forgive me i tried not to do it turned over a new leaf then tore right through it

whatever you taught me
i didn't believe it
father you fought me
cos i didn't care
and i still don't understand

so i look back upon my life forever with a sense of shame i've always been the one to blame for everything i long to do no matter when or where or who has one thing in common too

it's a, it's a, it's a it's a sin, it's a sin everything i've ever done everything i ever do everyplace i've ever been everywhere i'm going to it's a sin it's a sin

it's a sin
everything i've ever done
everything i ever do
everyplace i've ever been
everywhere i'm going to
it's a sin
