Nameless

Stumbled round, you I found Adored your glory, you're my story Then you let me down, let down You know we're the same

Once I frowned, then I found The one I love, as if from above You smile at me, I smile at you We were the same

You are not an enemy You are not an enemy Gentle as the sky Please don't ask me why

You are not an enemy You are not an enemy Gentle as the sky Please don't ask me why I cry
