Apology song

This is the apology song Maybe I should call you when I'm running late Too many times when I left you there and made you wait It's crazy...that you still my baby.. yeahh

I get home every night, and it's an argument I really should, but I don't tell you where I've been Cause lately I been actin' so crazy .. yeahh

Sometimes it takes a lot to admit I'm wrong That I don't wanna wake up to find you gone A girl like you is one in a million, And I want you to know.. so here it goes..

I put on the apology song I know that I was wrong so, I take back every word that I said

I put on the apology song It's been far too long So I think it's time to put this to bed Girl I'm sayin that I'm sorry that I did it again

When you hear the melody I hope you be forgivin me Always end up makin you mad

I know sometimes I'm out and it gets late at night I say theres no reception or my battery died It's crazy, why do I lie to my baby? Whyyy? If you are doing the same things that I do I don't know if I can stand bein with you

I'm gonna stop takin you for granted (I think this is the line..) I've been doing it now for too long

Sometimes it takes a lot to admit I'm wrong That I don't wanna wake up to find you gone A girl like you is one in a million, And I want you to know.. so here it goes..

I put on the apology song I know that I was wrong so, I take back every word that I said
