

Do You Feel What I Feel

JLS

Put Your Hands In The Air Baby

There's a girl dancing dirty over there
Do you see what I see
The way she moves I just had to stop and stare
Do you see what I see

There's a dj playing all our favourite songs
Do you hear what I hear
We be drinking so we all just sing along
Do you hear what I hear

Dancing with you is so easy cos your beautiful
You make it hard for me girl everytime we're on the floor
I wanna kiss you cos I gotta know that tonight is real
Do you feel what I feel
Do you feel what I feel
Do you feel what I feel
This beat is killing the club
Do you feel what I feel
Two people falling in love

Now the bar tenders turning on the lights
Do you see what I see
Got my car and its waiting outside
You should leave when I leave

Dancing with you is so easy cos your beautiful
You make it hard for me girl everytime we're on the floor
I wanna kiss you cos I gotta know that tonight is real
Do you feel what I feel
Do you feel what I feel
Do you feel what I feel
This beat is killing the club
Do you feel what I feel
Two people falling in love

Can you feel the temperature rising
Do you feel the drink in your cup
Let me cast a beat and we'll ride it
Go ahead and put your hands up

Can you feel the temperature rising
Do you feel the drink in your cup
Let me cast a beat and we'll ride it
Go ahead and put your hands up

Put your hands in the air baby
Put your hands up (put your hands up)
JLS do you feel what I feel

Put your hands up
