

Don't Know That

JLS

If you ever have to doubt me baby
You don't know a thing about me baby
Even though sometimes you drive me crazy
And that's a fact
No matter what it is we're going through
I'm always gonna feel what I feel for you
Don't ever act like you don't, don't know that
Don't ever act like you don't, don't know that

I'm fed up instead of
It being you and me
It's you that I'm near
As we're living separately
How do I try to get you to let me in
And see where we're going
Ain't about where we've been

If you ever have to doubt me baby
You don't know a thing about me baby
Even though sometimes you drive me crazy
And that's a fact
No matter what it is we're going through
I'm always gonna feel what I feel for you
Don't ever act like you don't, don't know that
Don't ever act like you don't, don't know that

You've been restless
Hoping I feel it still
You don't know where your head is
Don't think I ever will
We fight then we get right
Then we do it all again
You think that I will get tired
You just don't know when

I know I'm gone a lot
I know you're paranoid
You think I found someone
That's gonna fill the void
I think it's kinda strange
Cause I still feel the same
Girl you're the one that's changed

If you ever have to doubt me baby
You don't know a thing about me baby
Even though sometimes you drive me crazy
And that's a fact
No matter what it is we're going through
I'm always gonna feel what I feel for you
Don't ever act like you don't, don't know that
Don't ever act like you don't, don't know that

Girl, my heart's in it
I'm yours, don't forget it
If I don't say, please forgive it
Right now, if you wanna know
I am dedicated

I know we're gonna make it
You know that I don't want it to end
So don't you ever say it again
I know

If you ever have to doubt me baby
You don't know a thing about me baby
Even though sometimes you drive me crazy
And that's a fact
No matter what it is we're going through
I'm always gonna feel what I feel for you
Don't ever act like you don't, don't know that (like you don't know that)
Don't ever act like you don't, don't know that

If you ever have to doubt me baby
You don't know a thing about me baby
Even though sometimes you drive me crazy
And that's a fact
No matter what it is we're going through
I'm always gonna feel what I feel for you
Don't ever act like you don't, don't know that
Don't ever act like you don't, don't know that
Don't ever act like you don't, don't know that
Like you don't know that
