I sent a dozen roses, She says she doesn't want them, Said all she wants is my time, My time now. I make a reservation, There's always complication, 'Cos i keep missing my flight, My flight now. She loves me, But she's lonely, And there's only so much she can take now. Made a promise, To be honest, And I want this, I want this to work out. I'll do anything to make this work, I said na na na na na na na na, I'll do anything to make this work, I go harder, I go harder baby. Said put your hands in the air, And leave them up there, If you really believe in love. I'll do anything to make this work, I go harder, I go harder baby. I try to send her shopping, She doesn't buy distractions, It's like my platinum declined, Declined now. I think she's started doubting, I bet her mood is mountained, I got her in bad times, Bad times now. Said she loves me, But she's lonely, And there's only so much she can take now. Made a promise to be honest, And I want this, I want this to work out. I'll do anything to make this work, I said na na na na na na na na, I'll do anything to make this work, I go harder, I go harder baby. Said put your hands in the air, And leave them up there,

If you really believe in love.
I'll do anything to make this work,

I go harder,
I go harder baby.

S.O.S. is all that I need.
S.O.S is all that I need,
So I gotta go harder now.
S.O.S. is all that I need.
So I gotta go harder now.

I'll do anything to make this work,
I go harder.

I'll do anything to make this work,
I said na na na na na na na na,
I'll do anything to make this work,
I go harder,
I go harder baby.

Said put your hands in the air,
And leave them up there,
If you really believe in love.
I'll do anything to make this work,
I go harder,
I go harder baby.

I'm coming,
I'm coming home,
Cos I really gotta see you tonight.
I'm coming,
I'm coming home,
Cos I really gotta see you tonight.

I'm coming,
I'm coming home,
Cos I really wanna see you tonight.
