

Homeless Heart

JLS

Oh, oh yea yea
I'm homeless, I'm homeless

I pushed my ego to the side for a minute
I wanna lay it there
I said it's you and me for life in a minute
I just was not prepared

You are the perfect one for me
You are the one thing that I need
But I was blind, I was stupid
Sleeping rough isn't what I want
But when you tear down the walls
Take off the roof
It just ain't a home at all, no

I'm just a man with a homeless heart
Baby without you it's tearing me apart
I'm just a man with a homeless heart
A penny a day I can save for your thoughts
My heart is homeless (without you)
My heart is homeless (without you)
My heart is homeless (without you)
I'm just a man with a, man with a, man with a homeless heart

Coming in with a sign and it's saying
"Hungry for your touch"
So have a heart, I deserve your attention,
Cause I'm starving for your love
You are the perfect one for me
I don't know why I didn't see
But I was blind, I was stupid
Sleeping rough isn't what I want
But when you tear down the walls
Take off the roof
You're left underneath the stars

I'm just a man with a homeless heart
Baby without you is tearing me apart
I'm just a man with a homeless heart
A penny a day I can save for your thoughts
My heart is homeless (without you)
My heart is homeless (without you)
My heart is homeless (without you)
I'm just a man with a, man with a, man with a homeless heart

I'm in the cloud, I'm all alone
And my thoughts go back to the way things were
I give up, just before you forget who I was
Cause I'm just a

I'm just a man with a homeless heart
Baby without you is tearing me apart
I'm just a man with a homeless heart
A penny a day I can save for your thoughts
My heart is homeless (without you)
My heart is homeless (without you)

My heart is homeless (without you)

I'm just a man with a, man with a, man with a homeless heart
