

# Love At War

JLS

Lay down your arms  
Guns on the floor  
I don't want to fight with you no more  
I'm calling ceasefire or a treaty  
See we both goin' to lose  
Best believe me

We are in trenches let's climb on out  
Cause our relationship is in doubt  
Give me my orders and I'll oblige  
Cause it's killing me inside

I'm like the walking wounded  
My heart is ruined  
Sick of dodging bullets  
In this love at war  
So tired of going through it  
Don't think I can do it  
This ain't what I bargained for  
This love at war

Let's clear the tactics  
Stop with your razor sharp tones  
Over reacting  
I call for peace now  
Let's make amends  
Before this love affair ends

Let's both be real  
This love's a battle  
Don't need the extra  
Distractions we can't handle  
Let's fix the game plan  
I'm thinking we can  
Both of we just walk away  
Love another day

I'm like the walking wounded  
My heart is ruined  
Sick of dodging bullets  
In this love at war  
So tired of going through it  
Don't think I can do it  
This ain't what I bargained for

This love at war  
Baby I got to say it  
This love at war  
Something I never anticipated  
This love at war  
No easy way to deal with it  
So sick and tired of dodging bullets  
I declare I don't want to do this  
Don't want to be left for dead

Can't take no more this love at war
