

Love At War

JLS

Lay down your arms
Guns on the floor
I don't want to fight with you no more
I'm calling ceasefire or a treaty
See we both goin' to lose
Best believe me

We are in trenches let's climb on out
Cause our relationship is in doubt
Give me my orders and I'll oblige
Cause it's killing me inside

I'm like the walking wounded
My heart is ruined
Sick of dodging bullets
In this love at war
So tired of going through it
Don't think I can do it
This ain't what I bargained for
This love at war

Let's clear the tactics
Stop with your razor sharp tones
Over reacting
I call for peace now
Let's make amends
Before this love affair ends

Let's both be real
This love's a battle
Don't need the extra
Distractions we can't handle
Let's fix the game plan
I'm thinking we can
Both of we just walk away
Love another day

I'm like the walking wounded
My heart is ruined
Sick of dodging bullets
In this love at war
So tired of going through it
Don't think I can do it
This ain't what I bargained for

This love at war
Baby I got to say it
This love at war
Something I never anticipated
This love at war
No easy way to deal with it
So sick and tired of dodging bullets
I declare I don't want to do this
Don't want to be left for dead

Can't take no more this love at war
