JLS

Oh oh oh oh oh oh  
Ok

Oh oh oh oh oh oh  
Yeah  
Oh oh oh oh oh oh

I cant explain what's gotten into me  
My sanity is in the passenger seat  
I let her drive me she is my guide  
We're flying reckless tonight

Direct me to the floor  
And turn it up some more  
Imma get it on on on on

Direct me to the floor  
And turn it up some more  
Imma get it on on on on

She makes me wanna  
Oh oh oh oh oh oh  
Makes me wanna  
Oh oh oh oh oh oh

London to jamaica  
La to africa  
She makes me wanna  
Oh oh oh oh oh oh  
Makes me wanna  
Oh oh oh oh oh oh

I think her eyes are hypnotizing me  
Something about her turns me into a wild beast  
I mesmerized, down for the ride  
Flying reckless tonight

Direct me to the floor  
And turn it up some more  
Imma get it on on on on

Direct me to the floor  
And turn it up some more  
Imma get it on on on on

Well that's kind of funny  
I-i was just thinking  
How you make me oh-oh-oh  
we're flying over buildings  
Sitting under palm trees  
drinking bubble gum drinks  
We're counting all our monies  
Dancing in ice rinks  
Buying icies  
(it's nothing)  
We're loving  
We're worthy of this  
Look where I come from  
Now this world our kingdom

She makes me wanna  
Oh oh oh oh oh oh  
Makes me wanna  
Oh oh oh oh oh oh

She makes me wanna
