

# Take A Chance On Me

JLS

You're so scared to fall in love  
Cuz you end up in the dust  
Everytime everytime...

Now you see us all the same  
Like our words are just a game  
Spitting lies, dirty lies

I know you know  
There's something here  
But you cannot get past the fear  
I can help you make it clear...

So when you feel like trying again  
Reach out, take my hand  
See how great it could be  
To fall in love with someone you can trust

Who would never give up  
Cuz you're all that he needs  
Baby take a chance on me  
Baby take a chance on, oh oh  
Baby take a chance on me  
Baby take a chance on, oh oh oh

You give 100% but you've never seen a cent  
They're so blind, they're so blind  
Cuz i'm looking at your face  
And the world's a better place  
In your eyes, lovely eyes

I know you know  
There's something here  
But you cannot get pas the fear  
I can help you make it clear...

So when you feel like trying again  
Reach out, take my hand  
See how great it could be  
To fall in love with someone you can trust

Who would never give up  
Cuz you're all that he needs  
Baby take a chance on me  
Baby take a chance on, oh oh  
Baby take a chance on me  
Baby take a chance on, oh oh oh

You got nothing to lose baby,  
But you won't know if you don't try  
Please don't leave me asking why  
So when you're ready to choose baby  
I'll be here with open arms  
With the same in love in my heart

So when you feel like trying again  
Reach out, take my hand

See how great it could be  
To fall in love with someone you can trust

Who would never give up  
Cuz you're all that he needs  
Baby take a chance on me  
Baby take a chance on, oh oh  
Baby take a chance on me  
Baby take a chance on, oh oh oh

So when you feel like trying again...
