

The Last Song

JLS

What am I gonna do when the last song's over
I was out with my lonely heart
First a movie and then to a new club
I wasn't planning on staying out long,
then there's this girl from dreams started smiling at me
Went up to say hello, say hi and stereo,
she whispered in my ear hey there Romeo
No-no-no we dance more, we're on the dance floor,
she's making me feel like no one else before
Hey there Mr DJ, I can't see straight
What am I gonna do when the last song's over
Sorry Mr DJ, Hey excuse me,
What am I gonna cause I can't let go her
What am I gonna do when the last song's over
Now here's a chance that I cannot miss
I never thought I could love you like this
(but I only got one shot, gotta show you what I got)
What am I supposed to do, I don't want to be a fool
Hey there DJ help me out cause I am so confused
You see this every night, before they hit the light
Give me a chance, one more dance before you hit rewind
Hey there Mr DJ, I'm feeling dizzy
What am I gonna do when the last song's over
Sorry Mr DJ, I know you're busy,
What am I gonna cause I can't let go her
What am I gonna do when the last song's over
What am I gonna do when the last song's over
And I know it's getting late, it feels like I'm pushing fate
The clock is ticking baby time won't hesitate
This is the last chance, we got the last dance
I'll know for sure if this is more than a romance
Hey there Mr DJ, I can't see straight
What am I gonna do when the last song's over
Sorry Mr DJ, hey excuse me
What am I gonna do cause I can't let go her
Hey Mr DJ, I'm feeling dizzy
What am I gonna do when the last song's over
Sorry Mr DJ, I know you're busy
What am I gonna do cause I can't let go her

Hey Mr DJ, can you hear me
What am I gonna do when the last song's over
Sorry Mr DJ, did you hear me
Tell me what to do now that last song's over
