You have my heart And we'll never be worlds apart Maybe in magazines But you'll still be my star Baby 'cause in the dark You can't see shiny cars And that's when you need me there With you I'll always share Because When the sun shines, we'll shine together Told you I'll be here forever Said I'll always be a friend Took an oath, I'ma stick it out till the end Now that it's raining more than ever Know that we'll still have each other You can stand under my umbrella You can stand under my umbrella (Ella ella, eh eh eh) Under my umbrella (Ella ella, eh eh eh) Under my umbrella (Ella ella, eh eh eh) Under my umbrella (Ella ella, eh eh eh, eh eh eh) These fancy things, will never come in between You're part of my entity, here for infinity When the war has took it's part When the world has dealt it's cards If the hand is hard, together we'll mend your heart When the sun shines, we'll shine together Told you I'll be here forever Said I'll always be a friend Took an oath, I'ma stick it out till the end Now that it's raining more than ever Know that we'll still have each other You can stand under my umbrella You can stand under my umbrella

Now that it's raining more than Know that we'll still have each You can stand under my umbrella You can stand under my umbrella (Ella ella, eh eh eh) Under my umbrella (Ella ella, eh eh eh, eh eh eh) You can run into my arms It's okay don't be alarmed

Come here to me

There's no distance in between our love

So go on and let the rain pour I'll be all you need and more Because

When the sun shines, we'll shine together Told you I'll be here forever Said I'll always be a friend Took an oath, I'ma stick it out till the end

Now that it's raining more than ever Know that we'll still have each other You can stand under my umbrella You can stand under my umbrella
