Finally alone with all my thoughts  
It's funny how you can be yourself and talk alone  
You thought you had a lot to say  
But it turns out it's so different today  
And you knew it all along  
Didn't you didn't you didn't you?  
And you knew it all along  
Didn't you didn't you didn't you?  
And you knew it all along  
Didn't you didn't you didn't you?

I'm a fool  
I'm a fool for you

Dumb be down and give what I thought I should take  
Some things just might be better off that page yeah  
'Cause everybody thinks that they know best  
Turns out they're no different then the rest of us

We're all fools  
We're all fools for you

We're made to make mistakes  
One heart is all it takes  
We're so afraid of getting hurt  
Mother Mary save our souls

We're all fools  
I'm a fool for you

Take you  
Fools  
We are the fool  
And I'm a fool for you  
I'm a fool for you  
There's nothing I can do  
Fool

I am a fool for you  
Such a fool for you  
I'm a fool for you  
There's nothing I can do  
I'm a fool for you  
'Cause I'm a fool for you  
I'm a fool for you  
There's nothing I can do
