

**It Is.**

**JMSN**

There's something bout the way  
I could die for love and be satisfied  
It'd be worth my whole entire life  
I would dedicate and sacrifice  
Cause what is time  
What is time  
When I'm so in love with you  
So in love with you  
Yeah, so in love  
Soooooooooooo...  
I wonder  
What do you want from me?  
I said what do you want from me?  
Cause I've given you everything that I have  
No I don't think about the past  
The past is gone  
I gotta carry on  
  
Damn...
