

Juice (Interlude)

JMSN

Jameson! Jameson! Jameson! Jameson!

Jameson!

What up, what up?

Fucking crazy! I swear to God, that was the most amazing shit I've ever seen in my life. You built that shit up on your own!

Yeah, yeah...

That's why we're here right now. We're gonna grow you into a fucking star. We're gonna mold you like some motherfuckin' play-doh. We're gonna get you in the studio with the right producers, the right engineer, the right vocal coach, the right vocal producers...

Yeah, yeah...

Just make hits. Not to say that you're not a hit-maker...

Nah, nah...

But we got the best hit-makers on the planet! Hands-down, alright?

It's true, it's true

We got millions of dollars. And I know you've never seen this kind of money before

Wait, wait... where you from? Detroit?

Yeah, Detroit

I could fucking tell! Detroit makes so much sense!

Yeah, yeah...

No wonder this fucking big money is confusing you!

You motherfucker. Alright, okay. Alright, yeah, okay... Nah, I gotta...

So look... I know you're gettin' a lot of guys coming to you with some bulls hit, but this isn't bullshit. This is big fucking money. You know what big fucking money smells like? It smells like fucking teen spirit. And you know who's buying records? TEENS! They're out there camping for t-shirts

Yeah... Really, though, I gotta...

Those guys are fucking spending money...

I gotta get back on stage, man

And we're about BIG MO-

What the fu-?

You got your credentials? Alright, you good

We're gonna play some songs for you right now
