

Because You Love Me

Jo Dee Messina

I don't know how I survived
In this cold and empty world for all this time
I only know that I'm alive
Because you love me

When I recall what I've been through
There's some things
That I wish I didn't do
Now I do the things I do
Because you love me

And now that you're in my life
I'm so glad I'm alive
'Cause you showed me the way
And I know now how good it can be
Because you love me

And now that you're in my life
Oh, I'm so glad I'm alive
'Cause you showed me the way
And I know now how good it can be
Because you love me

I believe in things unseen
I believe in the message of a dream
And I believe in what you are
Because you love me

With all my heart and all my soul
I'm loving you and I never will let go
And every day I'll let it show
Because you love me
Because you love me
Because you love me
