

I'm Alright

Jo Dee Messina

Well it's been a long time glad to see your face
I knew we'd meet again another time another place
Can't believe it's been so many years
You'd better grab a chair and a couple of beers
Lookin' good in your three piece suit
You know I always knew you'd take the business route
You were always the one to follow the light and you look like you're
doing alright

Been singin' for my rent and singin' for my supper
I'm above the below and below the upper
I'm stuck in the middle where money gets tight
But I guess I'm doin' alright

I'm all I'm all I'm alright
It's a beautiful day not a cloud in sight so I guess I'm doin' alright
t
O- oh o-oh, I'm alright
Got a good old friend here with me tonight and I guess I'm doin' alright

Well we had a lot of dreams when we were younger
They thought we were crazy but we had the hunger
We kept a lot of friends skipped a lot of class
Been on top of the world and knocked on our
We lost touch, we lost in love
We lost our minds when things got tough but
Beatin' time is a losin' fight and I guess I'm doin' alright

I'm all I'm all I'm alright
It's a beautiful day not a cloud in sight so I guess I'm doin' alright
t
O-oh o-oh I'm alright
I got a good old friend here with me tonight and I guess I'm doin' alright
Well I guess I'm doin' alright

Well I hate to see this evening end
God only knows when I'll see you again
Just send a fax or send me a letter or give me a call that would even
be better
Give the kids a kiss for me and say hello to the family
And tell them all my future's lookin' bright
Well I miss 'em but I'm doin' alright
I said I miss 'em but I'm doin' alright

I'm all I'm all I'm alright
It's a beautiful day not a cloud in sight so I guess I'm doin' alright
t
O-oh o-oh, I'm alright
Got a good old friend here with me tonight and I guess I'm doin' alright

Well I guess I'm doin' alright
I'm doin' alright
