## Lesson In Leavin'

Jo Dee Messina

Somebody's gonna give you a lesson in leavin' Somebody's gonna give you back what you've been givin' And I hope that I'm around To watch 'em knock you down It's like you to love 'em and leave 'em Just like you loved me and left me It's like you to do that sort of thing Over and over again You're a bull-hearted man.

I hear you've been askin' about me From some of my friends Well you'd better believe I'm not goin' Through that again You're the kind of man a woman thinks she can change. Oh, but the only thing changin' is my way of thinkin' And I'm thinkin' that maybe someday

Somebody's gonna give you a lesson in losin' Somebody's gonna do to you what you've been doin' And I hope that I'm around To watch 'em knock you down Somebody's gonna give you a lesson in hurtin' Somebody's gonna leave you with your fire burnin' And no way to put it out Baby there ain't no doubt You're a bull-hearted man

Yeah, you're the kind of man A woman thinks she can change But the only thing changin' Is my way of thinkin' And I'm thinkin' that maybe someday

Somebody's gonna give you a lesson in leavin' Somebody's gonna give you back what you've been givin' And I hope that I'm around To watch 'em knock you down It's like you to love 'em and leave 'em Just like you loved me and left me It's like you to do that sort of thing Over and over again You're a fool-hearted man

Somebody's gonna give you a lesson in leavin' Somebody's gonna give you back what you've been givin' And I hope that I'm around To watch 'em knock you down It's like you to love 'em and leave 'em Just like you loved me and left me It's like you to do that sort of thing Over and over again You're a fool-hearted man

Oh, a fool-hearted man Oh, whoa Oh, a fool-hearted man
