

# No Time For Tears

Jo Dee Messina

I gave you everything I had  
Oh but it wasn't enough  
It don't seem right to hurt so bad  
When all you're giving is love  
You wouldn't let me love you  
You're just too hard to hold  
I gotta break the chains that bind me  
So I'm

Gonna take a cab, take a train  
Maybe a limousine  
Anything to get me out of here  
Ain't no way around it  
Oh no doubt about it  
One thing is clear  
Oh there's no time for tears  
Oh no

A wall too steep too high to climb  
Is protecting your heart  
I tried to break through time after time  
Oh but it keeps us apart  
I've cried enough to know that  
It's killing me to stay  
I'd rather be alone  
Than hurt this way

Gonna take a cab, take a train  
Maybe a limousine  
Anything to get me out of here  
Ain't no way around it  
Oh no doubt about it  
One thing is clear  
Oh there's no time for tears

The time has come  
To move ahead  
And find what waits for me  
Ooh whoa whoa

Gonna take a cab, take a train  
Maybe a limousine  
Anything to get me out of here  
Ain't no way around it  
Oh no doubt about it  
One thing is clear  
Oh there's no time for  
No time for, no time for  
There's no time for tears  
Oh no  
No time for tears  
Yeah  
No time for, no time for tears  
No time for tears  
Oh no no no no
