

# Peace Sign

Jo Dee Messina

I wouldn't call it a breakup  
I hate to say it out loud, but I was just dumb  
I thought we had something special  
Just last night, I used the word "love"

He started his e-mail  
With "I've got a few things to say"  
"We're just not good together  
"Take care and have a good day"  
Okay

If that's the way you wanna do it  
If that's the way you wanna walk away

I'm not coming undone  
I've got nothing but love  
You put the f-u in fun  
It's all good

I'm not trying to fight  
I'm not wasting my time  
I'm just saying goodbye  
One finger shy of the peace sign

You thought that you could delete me  
A few sorry words on a page  
To you, it was so complicated  
Me just taking up your precious space

If that's the way you wanna do it  
If that's the way you wanna walk away

I'm not coming undone  
I've got nothing but love  
You put the f-u in fun  
It's all good

I'm not trying to fight  
I'm not wasting my time  
I'm just saying goodbye  
One finger shy of the peace sign

I thought I knew you well  
It goes to show that you just can't tell

I'm not coming undone  
I've got nothing but love  
You put the f-u in fun  
It's all good

I'm not trying to fight  
I'm not wasting my time  
I'm just saying goodbye  
One finger shy of the peace sign

Oh, yeah  
One finger shy of the peace sign
