

# Saturday Night

Jo Dee Messina

Every week it comes 'round  
With a feel like New Year's Eve  
Get dressed, de-stressed, tonight I couldn't care less  
Take a look at me

So I put myself together  
Paint my lips and lashes on  
'Cause I know there's someone out there  
Wantin' me to come along

It's the night of the week when my dreams hit the street  
With boots and blue jeans on  
Take a shot at romance, do I stand a chance  
Will destiny be good to me  
It's the thrill of the kiss that on  
Monday I'll miss  
When I look back and say  
Well, oh my Lord you should have seen me Saturday  
Saturday, Oh Saturday Night

Mary's got a Mustang  
We all pile in  
Downtown, top down, rockin' while we ride around  
Let the night begin

I'm just searchin' for a dreamer  
Who'll steal my heart away  
Strong and shy with I dare you eyes  
And a smile who lights the way

It's the night of the week when my dreams hit the street  
With boots and blue jeans on  
Take a shot at romance, do I stand a chance  
Will destiny be good to me  
It's the thrill of the kiss that on  
Monday I'll miss  
When I look back and say  
Well, oh my Lord you should have seen me Saturday  
Saturday, Oh Saturday Night

Five days out of seven slavin'  
I need one that's just for me

It's the thrill of the kiss that on  
Monday I'll miss  
When I look back and say  
Well oh my Lord you should have seen my Saturday  
Oh Saturday, Saturday, Saturday,  
Oh Saturday night
