

# Unmistakable

Jo Dee Messina

It's been 23 weeks and by now you would think  
That the thrill is gone, but it's not  
I'm not one to leap in, but I dove off the deep end  
And I'm givin' it all that I got  
Now I'm stuck in this traffic just thinkin' of you  
And how nobody does it the way that you do

Ya it feels like I'm walkin' on water  
Got me so high I might never come down  
Ya it feels like it's the one thing I know that I'm sure of  
Baby your love is unmistakable

The touch of your breath on the back of my neck  
Is like nothing I've ever known  
The way you look at me, I swear your eyes can see  
To the deepest depths of my soul  
Every kiss that you give shakes me right to the bone  
Don't wanna ever get off of this ride that I'm on

Ya it feels like I'm walkin' on water  
Got me so high I might never come down  
Ya it feels like it's the one thing I know that I'm sure of  
Baby your love is unmistakable  
Ya, ya

Now it's 4 in the morning I'm still thinking of you  
How nobody does it the way that you do

Ya it feels like I'm walkin' on water  
Got me so high I might never come down  
Ya it feels like it's the one thing I know that I'm sure of  
Baby your love is unmistakable  
Oooh, unmistakable  
Oooh
