Baby I'm A Fool

Jo O'Meara

Something's You Do
Go Unnoticed
Never Say A Word But You Just Carry On
Sometimes Your hurting
But I'm Not Listening
And I Should Be The One You Rely Apon
And It Will Take All Day Tonight
But I'd Love To Say It Right

Cause I Know Baby I'm A Fool For Always Taking
Made Me Realize The Mess I'm Making
Gonna Be The One Who's Hearts Is Break in Two
Now My Time Is Running Out To Late For Talking
I'll Do Anything To Stop You Walking
You Don't Have To Wait But Baby I'm A Fool
But Boy If Your Gone
Please Leave The Light On

Thing I Promised Birthdays I Missed
So Many Ways I That Put You
Times That You Tried Crying Inside
To Open Up The Door Just To Get Through To Me
And It Will Take All Day Tonight
But I'd Love To Say It Right

Cause I Know Baby I'm A Fool For Always Taking
Made Me Realize The Mess I'm Making
Gonna Be The One Who's Hearts Is Breaking To
Now My Time Is Running Out To Late For Talking
I'll Do Anything To Stop You Walking
You Don't Have To Wait But Baby I'm A Fool
But Boy If Your Gone
Please Leave The Light On

I Know There's Point Denying
It's A Mountain Of Lying
And I Pray Your Gonna Give Me One
More Chance To Make It Right And Stay

Cause I Know Baby I'm A Fool For Always Taking
Made Me Realize The Mess I'm Making
Gonna Be The One Who's Hearts Is Breaking To
Now My Time Is Running Out To Late For Talking
I'll Do Anything To Stop You Walking
You Don't Have To Wait But Baby I'm A Fool
But Boy If Your Gone
Please Leave The Light On
