

The First Time

Jo O'Meara

Valentines And Those Butterfly's
Gets Me All Messed Up Inside
You Got Me Feelin' Like A Kid Again
Oh-I Even Running Around Telling All My Friends

Now Every Day Has A reason
Every Night Is The Real Thing
Oh Boy You Make It Feel Like The First Time
Like There's Never Been Another
Boy You Make It Real Like The First Time
Everytime You Lay Down By My Side
Oh - Woah - Oh It's The First Time

Every Moment I Spend With You
Something Different Always Something New
I Watch You Sleeping I Hear You Sigh
Oh I Even Love The Way You Cry

Now Every Kiss Is A Season
Every Touch Keeps Me Believing
Oh Boy You Make It Feel Like The First Time
Like There's Never Been Another
Boy You Make It Real Like The First Time
Everytime You Lay Down By My Side
Oh - Woah - Oh It's The First Time
It's The Last Time

You'll Be Alone I'm There For You
I Walk This Earth, I See This Through
I Need You Here To Write This Song
You Make Me Feel Like I Belong
And Everytime You Lay Down By My Side
It's The First Time

Now Every Day Has A reason
Every Night Is The Real Thing
Oh Boy You Make It Feel Like The First Time
Like There's Never Been Another
Boy You Make It Real Like The First Time
Everytime You Lay Down By My Side
Oh - Woah - Oh It's The First Time
