

## The First Time

Jo O'Meara

Valentines And Those Butterfly's  
Gets Me All Messed Up Inside  
You Got Me Feelin' Like A Kid Again  
Oh-I Even Running Around Telling All My Friends

Now Every Day Has A reason  
Every Night Is The Real Thing  
Oh Boy You Make It Feel Like The First Time  
Like There's Never Been Another  
Boy You Make It Real Like The First Time  
Everytime You Lay Down By My Side  
Oh - Woah - Oh It's The First Time

Every Moment I Spend With You  
Something Different Always Something New  
I Watch You Sleeping I Hear You Sigh  
Oh I Even Love The Way You Cry

Now Every Kiss Is A Season  
Every Touch Keeps Me Believing  
Oh Boy You Make It Feel Like The First Time  
Like There's Never Been Another  
Boy You Make It Real Like The First Time  
Everytime You Lay Down By My Side  
Oh - Woah - Oh It's The First Time  
It's The Last Time

You'll Be Alone I'm There For You  
I Walk This Earth, I See This Through  
I Need You Here To Write This Song  
You Make Me Feel Like I Belong  
And Everytime You Lay Down By My Side  
It's The First Time

Now Every Day Has A reason  
Every Night Is The Real Thing  
Oh Boy You Make It Feel Like The First Time  
Like There's Never Been Another  
Boy You Make It Real Like The First Time  
Everytime You Lay Down By My Side  
Oh - Woah - Oh It's The First Time
