

# You Didn't Know

Jo O'Meara

Not Much For Talking  
But I Really Know I Can Say  
I've Been Round Sleep Walking  
But You Woke Me Up Today  
And There Are Things That I Know  
I Should Remember  
But All I'm Sure Of Is What You Mean To Me

You Didn't Know Cause I Didn't Say  
I Was Afraid And Walked Away  
I've Found A Place To Hide  
In The Sanctuary Of My Pride  
You Didn't Know Cause I Didn't Say

I'm Not Much For Begging  
But I'm Begging You Now To Stay  
You Better Let me Learn The Lesson  
And Show Me The Way  
I Should've Seen it It's All So Very Clear Now  
And All I Wanted Is Standing Here

You Didn't Know Cause I Didn't Say  
I Was Afraid And Walked Away  
I've Found A Place To Hide  
In the Sanctuary Of My Pride  
You Didn't Know Cause I Didn't Say

So Please Don't Go  
You Gotta Be here And Now  
I Wanna Be There To Find The Angle In your heart That Conforms Me  
Oh Baby How Can I Make It Up To You Now  
Cause I Feel It's Not Too Late To Show I Love You So  
I Guess You Didn't Know Cause I Didn't Say  
You Didn't Know Cause Of me  
How I Kept Inside Your The Only Thing In Life

You Didn't Know Cause I Didn't Say  
Got Too Scared And Walked Away  
How Could I Run & Hide  
When Your Love Was On My Side  
You Didn't Know Cause I Didn't Say  
Got Too Scared And Walked Away  
How Could I Run & Hide  
Knowing Love Was On My Side  
You Didn't Know Cause I Didn't Say  
Got Too Scared And Walked Away  
How Could I Run & Hide  
When Your Love Was On My Side  
How Could I Run & Hide  
When Your Love Was On My Side  
How Could I Run & Hide  
When Your Love Was On My Side
