

Love Me Good

Jo Stafford

Talk me no small talk
Lie me no lies
Spare me that tired gleam
From out of those dreamy eyes
'Cause I can do without it

Love me good
Love me good
Or it's goody goodbye

Plan me no big plans
Hand me no line
Play me no charmer's part
Misleadin' this heart of mine
Because I can do without it

Your love's a sweet thing
I'd love to own
But I'd hate to wake up someday
All alone

Bring me no bring-down
Lose me no sleep
Buy me no my friend
You never intend to keep
Because I can do without it

Love me goody goodbye
Love me goody goodbye
Love me goody goodbye
