

Wind In The Willow

Jo Stafford

(Wind in the willow tree)

Wind in the willow
Will he be mine
Tell me, tell me true

Wind in the willow
Tell him that I
Will be ever faithful and true

Moon up above shine my love
Tell him of how I yearn
Wave of the sea tell him for me
I'll wait until he returns

Wind in the willow
Whisper to him
Whisper, whisper true

Wind in the willow
Whisper to him
Whisper, whisper true

Wind in the willow tree
