Always On My Mind

Joan Armatrading

Hey baby
I wanna tell you all about this love
I wanna tell you
That you're all that I need

Hey baby
I wanna tell you all about this love
I wanna tell you
That you're all that I need

I wanna tell you that I want you baby
I wanna tell you that I always think of you
Everyday

I wanna tell you that I love you baby
I wanna tell you that I always think of you
Every day
Every day
Every day
Every day
Every day
Every day

Hey baby
You wanna tell me how you really feel
I'll tell you right now
That you're my Achilles heel

I know
I know I left you all alone before
But I wanna tell you
That's all in the past

I wanna tell you that I want you baby
I wanna tell you that I always think of you
Everyday

I wanna tell you that I love you baby
I wanna tell you that I always think of you

Something tells me
That you're already gone
Don't look for trouble
In the old fashioned way
Your eyes tell me you've already gone

Something tells me
That you're already gone
Don't look for trouble
In the old fashioned way
Your eyes tell me you've already gone
You've already gone

Hey baby
Remember all the times we had good fun
We were excited
We lived furious and fast

Hey baby
Remember what we said way back then
I'll never hurt you
And I'll never leave
I wanna tell you that I want you baby
I wanna tell you that I always think of you
Every day

I wanna tell you that I love you baby
I wanna tell you that I always think of you
Every day
Every day
Every day
Every day
Every day
Every day

Always on my mind
Every day
Every day
Every day
Every day
Every day
