

Can I Get Next To You

Joan Armatrading

Can't get your attention
No matter how I try
This fascination
Infatuation
I got to have it
Now I know you got it
Can I get next to you yeah

I always figured
Love was overrated
Call me fickle
Cos now it's just the greatest
This attraction
Was unpremeditated
Hold my hand
Please

Do do wop
Do do wop
Do do wop
Do do wop

Can't get your attention
No matter how I try
Inflation
This fascination
I got to have it
Now I know you got it
Can I get next to you yeah
Can I get next to you yeah

Do do wop
Do do wop
Do do wop
Do do wop
