

# Cool Blue Stole My Heart

Joan Armatrading

I swear you were not my ambition  
A coolin' aid was on my mind  
I walked up to the bar and I ordered  
Then I took my ice outside  
I sat down under the hot sun  
I looked around at this new land  
And then oh

Cool blue, long dark  
You stole my heart  
Stole my heart

I woke up first light next morning  
And I took a tram to the Leidse Plein  
I hired a bike and I drove around for hours  
I was searching for those dark eyes  
I made a stop at the blue note  
I passed up a chance for some good fun  
'Cause of you

Cool blue, long dark  
You stole my heart  
Stole my heart

Stole my heart  
Stole my heart  
Stole my heart

I made a stop at the blue note  
I passed up a chance for some good fun  
Lookin' for you

Cool blue, lookin' for you  
Long dark  
Cool blue, lookin' for you  
Cool blue, lookin' for you

Cool blue  
You stole my heart  
Stole my heart

Stole my heart  
Stole my heart  
Stole my heart

I'm lookin' for you  
You stole my heart  
You stole, stole my heart

You stole my heart  
Stole my heart  
Stole my heart  
Stole my heart

We sat down under the red hot sun  
You stole my heart  
I'm lookin' for you

Lookin' for you, lookin' for you  
Lookin' for you

You stole, you stole my heart  
I'm lookin' for you  
Stole my heart
