I'll ride I'll ride I'll ride The seven seas I'll ride I'll ride I'll ride The seven seas I'll ride I'll ride I'll ride The seven seas For you I'll climb I'll climb I'll climb The highest peak I'll climb I'll climb I'll climb The highest peak I'll climb I'll climb I'll climb The highest peaks For you I'll chase I'll catch I'll bring the moon to you There's not a thing you know I wouldn't do I'll beat of any challenger who tries to Steal You Away From me Yeah Everywhere and in between I see your face baby Everything I do I do to make you happy Maybe I try to hard But I can't resist Such a beautiful face Such a beautiful face You're fine you're fine You're fine you're fine Every part of you is like a diamond Precious to have Expensive to keep But the night's treasures Is alright by me Yeah Da da da A part of me will always be with you I don't mind the weather I don't mind the rain falling It doesn't matter if it's sunny Or there's clouds up above I'll take a chance and I'll predict That we will always be in love Whatever life throws us we will catch We will catch with a glove I've got a hunger for you baby

I just can't get enough. I don't mind the weather I don't mind the rain falling As long as I'm with you I'll ride I'll ride I'll ride The seven seas I'll ride I'll ride I'll ride The seven seas For you You're fine you're fine You're fine you're fine Every part of you is like a diamond Precious to have Expensive to keep But the night's treasures Is alright by me Everywhere and in between I see your face baby Everything I do I do to make you happy Maybe I try to hard But I can't resist Such a beautiful face Such a beautiful face You're fine you're fine You're fine you're fine Every part of you is like a diamond Precious to have Expensive to keep But the night's treasures

Is alright by me
