

Get in the Sun

Joan Armatrading

Oh baby, I'm gonna sit myself
Right down and relax
Oh baby, I'm gonna take it
Real easy and that's a fact

I got my glass of water cooling
Got the shades over my eyes
Don't try to wake me
Before day turns to night

Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh

Babe, open all the doors
And take down the blinds
Baby, trap that sun
Keep it nice and bright

I got this feeling deep inside me
Summer will be good
Don't tell me different
Think that it should, ooh ooh, ooh ooh,

Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh

Get up, get out, get in the sun
You know that it's nice
Get up, get out, get in the sun
You know that it's nice

Get up, get out, get in the sun
You know that it's nice
Get up, get out, get in the sun

Ooh, ooh sun is out
Make me feel so good
Make me feel so good
Long as the sun is out, I'm alright

Get up, get out, get in the sun
You know that it's nice
Get up, get out, get in the sun
You know that it's nice

Get up, get out, get in the sun

Baby, sit myself right down and relax
Oh baby, take it real easy and that's a fact

I got my glass of water cooling
Got the shades over my eyes
Don't try to wake me

Before day turns to night

Oh oh oh oh oh oh

Oh oh oh oh oh oh

Oh oh oh oh oh oh

Oh oh oh oh oh oh

Get up, get out, get in the sun

You know that it's nice

Get up, get out, get in the sun

You know that it's nice

Get up, get out, get in the sun

You know that it's nice

Get up, get out, get in the sun

You know that it's nice

Get up, get out, get in the sun
