

I Want That Love

Joan Armatrading

And I'm feeling fine
In my spirit mind
Yeh I'm right there next to you
And you call me baby blue

I won't change my mind
I won't change my mind
And I wonder why I feel the way I do
Well I'll tell you it's you that's who

Everybody tell me that I'm out of my mind
I'll never get you
I'll never get you

Everybody tell me that I'm out of my mind
I'll never get you
I'll never get you

Love
Yea
Love is all I'm after
Don't care if it last forever
Yea
Make me feel so fine
Like I'm important
Everybody
Needs somebody

Everybody in this big wide world
Make some time to get some
Every day when the sun goes down
Need that love
Doesn't matter if it's crazy love
I wanna get you on my side
It's not complicated

Everybody
That's everybody
Want some love
It needs no explanation

Everybody
That's everybody
It's love that makes you wanna
Wake up in the morning

Love can bring you pain
It can drive you insane
For all that it's a welcome drug
Feed me on intravenous hugs

Everybody tell me that I'm out of my mind
I'll never get you
I'll never get you

Everybody tell me that I'm out of my mind
I'll never get you

I'll never get you

Love

Yea

Love is all I'm after

Don't care if it last forever

Yea

Make me feel so fine

Like I'm important

Everybody

Needs somebody

Everybody in this big wide world

Make some time to get some

Every day when the sun goes down

Need that love

Doesn't matter if it's crazy love

I wanna get you on my side

It's not complicated

Everybody

That's everybody

Want some love

It needs no explanation

Everybody

That's everybody

It's love that makes you wanna

Wake up in the morning

I wanna see you in the noonday sun

Looking bright

I wanna see you in the dead of night

And at the dawning

Everybody

That's everybody

Want some love

It needs no explanation

Everybody

That's everybody

It's love that makes you wanna

Wake up in the morning

Love love love

Yeh I want that love

Everybody

That's everybody

Want some love

It needs no explanation

Everybody

That's everybody

It's love that makes you wanna

Wake up in the morning

Everybody

That's everybody

Want some love

It needs no explanation

Everybody
That's everybody
It's love that makes you wanna
Wake up in the morning
